

COMP1950 :: QUIZ 01

OBJECTIVE Work with browser tools

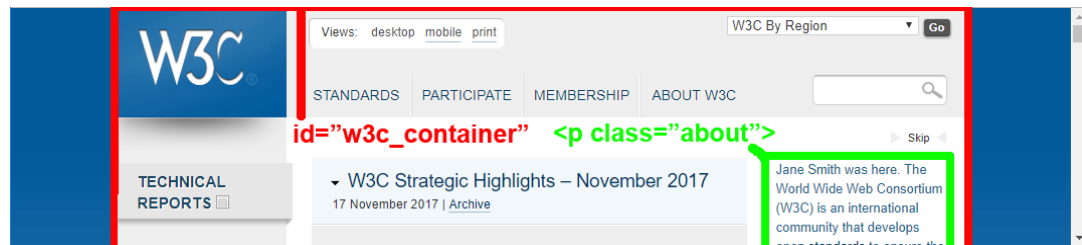

REQUIREMENTS Visit this website: <http://www.w3.org> then use your choice of browser to complete the following tasks:

- Add the following CSS to **#w3c_container**: **width:80%; margin:auto;**
- Find **.alt-logo** and disable the CSS display property.
- Find the first **<p>** tag with **class="about"** and in the HTML and change the text to include your name at the beginning.

Before:

After:

SUBMISSION Take a screenshot of your browser. Paste your screenshot into MS Paint or Photoshop and save it as a .jpg, .gif, or .png. If you are unsure how to take a screenshot, see <https://www.take-a-screenshot.org/windows.html>

Upload your screenshot to the D2L drop box for Quiz 1.
